Partner Enablement Options

Option 1

Partner purchases the license keys first and then resell

You will purchase the license keys from us according to the agreed reseller price, then we'll provide the corresponding number of license keys to you after you complete the payment.

Choosing this option, you will enjoy a more attractive reseller discount.

Option 2

Partner will get a list of license keys first and pay us monthly

We'll provide a certain number of license keys for the reseller to sell in advance, and the reseller should pay us monthly according to the agreed proportion of sales every month.

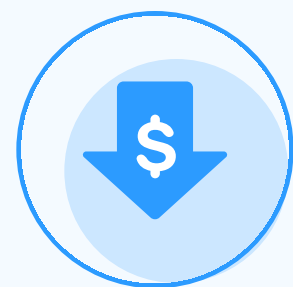

Choosing this option, you don't need to worry about the pressure of inventory.

Tiered Pricing Structure
